TOUR ITINERARY

Attached you will find a draft of the tour itinerary. While most of the tours, dinners, rehearsals etc are firm – anything could be subject to change. The final itinerary will be handed out at the parent meeting.

TOUR OPTION LIST

Attached you will find the tour option list. Please verify the correct spelling of the names (needed for the airline tickets), options, airport transfers, theater tickets and NYC tour lists. These lists were formed based on the information emailed to me. **If there are any errors in this list please notify me no later than Friday April 30th**. If I do not hear from you I will assume everything is correct. The Broadway Show tickets were purchased based on the requests. If you are not on the list and interested in attending the show, you will have to purchase your own tickets from the theater box office. The NYC tour is at capacity at this time. If you are not on the list and interested in going on the tour, I can take a wait list and see if we have enough to offset the cost of a third bus.

Thank you for taking the time to read through this entire email.
