## **Scrip News..... April, 2003**

We are holding at 250 supporters in the E-scrip program now! But we need more! The funds raised through E-scrip can be used for your chorister's tour and camp expenses. There is no fee to join E-scrip and it's easy to sign up friends, relatives, neighbors and co-workers to help your chorister and Contra Costa Children's Chorus. You can sign up on line at [www.escrip.com](http://www.escrip.com) Just "click" on sign up. The chorus' ID # is 137317439. Remember to update your E-scrip account at [www.escrip.com](http://www.escrip.com) Click on my escrip when your charge cards, Safeway card numbers/expiration dates change. E-scrip will not automatically assume new dates for your registered charge cards – don't lose earnings!

Pick up a Master Card application in the office. The chorus gets a 1½% payback from all of your purchases. And you get bonuses in your scrip account when you shop at participating stores like Best Buy, JC Penney and others.

Another way to accumulate funds in your chorister's scrip account is to order paper scrip ( i.e. gift certificates ). Scrip order forms are available in the CCCC office or at the bottom of this newsletter These orders must be in the CCCC office (in the scrip box) by Wednesday evening and will be filled and returned to the CCCC office the following Monday afternoon. Order enough now to last through the summer months. Buy Lands End scrip before you purchase those tour uniform pieces!

Our schedule for remaining orders is as follows:  
orders on 4/2, 4/9, 4/30, 5/7, 5/14, 5/21, 5/28 and 5/4 (no orders 4/16, 4/23 - I'm out of town)  
If you have any questions, please do not hesitate to contact me at the above numbers.

A reminder: When your tour or camp payment is due, please check with me for your available scrip balance and then complete a scrip withdrawal form to be submitted to the CCCC office with the balance of your payment due. This is NOT done automatically by the office. You will find a withdrawal form and order form at the end of this file.
